

# **NOSEWORK**

## **Building Motivation, Confidence, Skills & Stamina**

### **With Stacy Barnett**

## **Seminar & Workshop**

## **September 5 & 6, 2020**

**Hosted By:** dogWISE Training & Behaviour Inc. - Heather Lawson

**LOCATION:** TNT Kennels, 27624 Watson Rd., Abbotsford, B.C.

Whether you're just getting into Nosework or have been playing the game for a while, we can always learn more and hone our skills. Here's your opportunity to learn from one of the best Nosework Instructors.

When teams make the transition to the upper levels of Nosework, a few elements seem to make or break the team. In the beginning, it's all so simple... but once things get challenging, the wheels can come off the bus.

The biggest challenge that the handler will face is being able to balance the give and take in a search area in order to maintain independence yet provide suggestion and input to the search as needed. This is what Teamwork is about! At this seminar, we will work and build on the fundamental building blocks that reinforce good teamwork.

**Topics to include:** Reading Your Dog, Being a Team Player while Maintaining Independence, Trusting Your Partner and Your Training, Assessing and Reacting to Your Dog's Motivation and Mindset, Get the most out of your teamwork with your dog!

**PARTICIPATION:** ONLY 12 Working Spots are available for the Seminar.  
Unlimited Audit spots.

**COST:** Working Spots - \$365 (CDN or US \$) \*  
Audit (2 days) - \$200 (CDN or US \$) \*  
Audit (1 day) - \$125 (CDN or US\$) \*  
\* includes a lite lunch

**WELL SUITED** to individuals who are participating in NOSE WORK sports with their dogs at either the beginner or more advanced levels.

\*\*\* **NOT** suitable for highly reactive dogs.\*\*\*

**STACY'S BIO:** Stacy Barnett is a top Nosework competitor, being one of only a handful of teams with multiple Summit Level (SMTx3) titles in the National Association of Canine Scent Work (NACSW) with her dog, Judd. Stacy is also a popular international clinician for seminars across the US, Canada and Europe. She is an "Expert" licensed Judge for AKC Scent Work where she was also retained in an advisory position as an AKC Contractor for the AKC Scent Work program for 2 years. Stacy is the author of the popular blog, Scentsabilities Nosework, and hosts weekly educational webinars.

With her degree in Chemical Engineering and her understanding of fluid flow dynamics, she has developed many tools in her toolbox. She believes in utilizing Scent Theory and Odor to educate and craft the competitive Nosework dog. She prides herself on being able to bring creative solutions to build odor obedience, confidence, drive and motivation for the sport. Her mantra is CONFIDENCE, MOTIVATION, SKILLS and STAMINA. Her specialty is getting teams ready for competition!

.....  
**ADDITIONAL INFORMATION - Motels**

There are other hotels of course but the ones listed are the closest to the facility. Some people search for Airbnb, but make sure you do a map check on how far away it is from TNT before booking.

Best Western: Aldergrove - 604-856-9880 (approx. 8 mins. to facility)

- Only allows 1 dog per room

Comfort Inn: Aldergrove - 604-856-8288, (approx. 10 minutes to TNT)

- When you make your booking (which you should do VERY soon as it will be a long weekend) tell them you were referred by TNT Kennels. Mention TNT dog rate reduction of \$10 per dog/night (ok'd and given by Manager Pawan)

Sandman Signature, Langley - 604-455-7243 (approx. 17 mins. to facility)

**Camping:** If you're inclined to camp in August

Eagle Wind RV, 604-856-6674 (approx. 5 mins. from facility)

Ft. Langley Campground & RV Park - 604-888-3678 (approx. 15 mins. to facility)

**EXTRA DOGS:** We prefer if possible that you leave extra dogs at home. There will be crating in the building for working dogs ONLY. It will be summer so plan accordingly so you can crate in your vehicle if you need to bring extra dogs. There is lots of land at TNT so walking your dog on breaks will be easy.

**Driving Directions:** Via Google Maps: <https://goo.gl/maps/HV3rb>
