Saturday August 31 & Sunday Sept 1, 2019

HOSTED BY: Dumbbell Obedience Club (contact Heather Lawson ~ dogwise@telus.net)

WHERE: TNT Kennels, 27624 Watson Rd., Abbotsford, B.C.

If you're competing in any kind of dog sports & want to improve your skills whether it be fabulous heeling or a fixing up those tricks for freestyle, you can't miss this seminar & workshop with Julie Flanery.

Learn how all those skills you train for one sport can easily transfer across the board & compliment all your dog sports. Need a way to put spunk in your heeling or create & add a little more bounce & pizzazz in your freestyle routine? We've got you covered there as well. We'll even show you the fun & fabulous Rally-Free sport - a combination of Rally Obedience & Musical Freestyle. <https://www.rallyfree.com/>

PLUS Julie will show you how to make the most out of your platforms, pivot pots, gates & targets to gain precision & speed up the learning process.

WELL SUITED to individuals at all levels who are participating in dog sports with their dogs such as Obedience, Rally, Rally-Free, Canine Musical Freestyle. Knowledge of event marker & positive training methods is required.

PARTICIPATION FORMAT: ONLY 16 Working Team spots are available for the Seminar.

The dog should be able to function, concentrate and have fun in a very busy group environment, as we will have multiple teams up and working at once. The dog MUST be comfortable working while other dogs are nearby. The team that will get the most out of the workshop will be at the Intermediate to Advanced levels in their training and already have a working understanding of clicker training (click=treat) with exposure to shaping and targeting. However, it is fairly easy to modify the exercises to whatever level is appropriate for a particular team.

As Working Spots are limited to 16 Teams they will book fast. In order to reserve and hold a Working Spot your completed registration along with payment in full is required (sorry no post-dated cheques).

You will be notified if you get a working spot or are assigned to the wait list.

This seminar is NOT appropriate or suitable for reactive/aggressive dogs.
Due to space limitations, only working dogs will be crated inside the building.

COST: Working Spots - \$365 (CDN or US \$) * includes lite lunch
Audit (2 days) - \$200 (CDN or US \$) * includes lite lunch
Audit (1 days) - \$125 (CDN or US\$) * includes lite lunch
